

**Occupation: Local Government Sustainable Land Management Officer**

**Job Description:** employees administer local government land management regulations with a view to sustainable practices. This will involve ensuring that land use does not damage ecological processes or reduce biological diversity.

**Qualification:** LGA40604 Certificate IV in Local Government (Land Management)

This qualification reflects the role of individuals who use well-developed skills and a broad knowledge base in a wide variety of contexts. They apply solutions to a defined range of unpredictable problems, and analyse and evaluate information from a variety of sources. They may provide leadership and guidance to others with some limited responsibility for the output of others.

The Local Government LGA04 Training Package guidelines have been applied to create this occupational profile:

<b>12 Units Required</b>
